# Part A: Pupil premium strategy plan

## Statement of intent

Pupil Premium is an allocation of funding provided to schools to support children who may be vulnerable to underachievement. The Pupil Premium Grant allocation schools receive is based on the number of children eligible for free school meals (either currently or at any point in the last six years) at the time of the annual census.

A service premium is also available to support children whose parents are currently, or have recently been, serving in the armed forces. The service premium is designed to provide additional, mainly pastoral, support for these children to ensure their social and emotional wellbeing. At Meole Brace C of E Primary School and Nursery we provide this support, where it is appropriate, through regular 1:1 / small group sessions with experienced and well-trained Teaching Assistants and Learning Mentors. We also provide additional academic support for children entitled to the service premium where we feel this would be beneficial.

All schools are required to report on the amount of funding and how this is being used. The Governing Body of Meole Brace C of E Primary School and Nursery have decided that this grant will be most effectively spent on supporting children's learning in the classroom by ***providing quality first teaching, curriculum support, targeted intervention, engagement and enrichment activities, pastoral support and social and behavioural intervention.***

As with all children at Meole Brace C of E Primary School and Nursery, to ensure maximum impact, the needs of children entitled to the Pupil Premium are clearly identified, and evidenced-based steps are taken to meet their individual needs and their progress is closely monitored through school. Where small group or 1:1 support is felt to be most beneficial, Pupil Premium will be used to support this provision.

### **Principles**

**Teaching and learning at Meole Brace C of E Primary School and Nursery is designed to meet the individual needs of all children.**

- We ensure that appropriate provision is made for children who belong to vulnerable groups and that socially disadvantaged children have their needs adequately assessed and met.
- We recognise that not all children who receive free school meals will be socially disadvantaged and we also recognise that not all children that are disadvantaged have free school meals.
- We will allocate Pupil Premium funding after a needs analysis to identify priority groups and individuals.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Historical disparity between PPG and non-PPG eligible pupils' attainment.
2	High proportion of PPG eligible pupils with SEND or additional needs, particularly in relation to communication, speech and language.
3	High levels of social, emotional, and mental health needs amongst PPG eligible pupils, leading to a lack of resilience and aspiration.
4	Poor school attendance and persistent absenteeism amongst PPG eligible pupils/disadvantaged children.
5	Lack of "life experiences" and exposure to cultural capital.
6	Parental engagement and support at home.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Further increase the proportion of PP eligible pupils achieving a 'Good Level of Development' at end of YR.	100% of pupils in receipt of funding make good or accelerated progress across EYFS. 100% of pupils able to access the curriculum and learning, removing any communication barriers.
Maintain the high proportion of PP eligible pupils achieving the standard in the Phonics Screening Test at end of Y1 and Y2.	80%+ of PPG eligible Y1 pupils to achieve the standard in the phonics screen.
Increase the proportion of PP eligible pupils achieving 'Age Related Expectation' and 'Greater Depth' at end of Y2. Ensure that all pupils in receipt of funding make good or accelerated progress across KS1.	Relevant pupils to make accelerated progress in Reading, Writing and Maths. Increased percentages of PPG eligible KS1 children to achieve Age Related Expectation and Greater Depth standard in R,W,M.
Increase the proportion of PP eligible pupils achieving 'Age Related Expectation' and 'Greater Depth' at end of Y6. Ensure that all pupils in receipt of funding make good or accelerated progress across KS2.	Relevant pupils to make accelerated progress in Reading, Writing and Maths. Increased percentages of PPG eligible KS2 children to achieve ARE and GDS in R,W,M.
Further develop pupils' resilience, interest in learning and exposure to culturally enriching experiences.	A broad, well balanced curriculum, with relevance to our pupils, will be delivered throughout the school
Continue to support and engage families to meet pupils' social, emotional and health needs to ensure children are 'learning ready' each day.	Parents/carers attend parent/carer consultations. PPG eligible pupils' attendance in-line with their peers'.

## Activity in this academic year

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

**Intended Outcome:** *Further increase the proportion of PP eligible pupils achieving a 'Good Level of Development' at end of YR.*

- 100% of PPG eligible EYFS pupils made expected or better than expected progress.
- All EYFS children fully included within the classroom environment and accessing the curriculum and at an appropriate level.
- 

**Intended Outcome:** *Maintain the high proportion of PP eligible pupils achieving the standard in the Phonics Screening Test at end of Y1 and Y2.*

- DfE accredited systematic synthetic phonics programme (Bug Club Phonics) fully embedded with all staff receiving training in its implementation and best practice.
- Phonics intervention sessions delivered.
- Phonics information session pre-recorded and shared with all EYFS and KS1 parents/carers.
- Daily reading with an adult for disadvantaged KS1 children undertaken.
- 

**Intended Outcome:** *Increase the proportion of PP eligible pupils achieving 'Age Related Expectation' and 'Greater Depth' at end of Y2. Ensure that all pupils in receipt of funding make good or accelerated progress across KS1.*

- Teaching Assistants delivered Literacy and Maths provision for PP eligible children and daily reading with an adult for disadvantaged children undertaken.
- 

**Intended Outcome:** *Increase the proportion of PP eligible pupils achieving 'Age Related Expectation' and 'Greater Depth' at end of Y6. Ensure that all pupils in receipt of funding make good or accelerated progress across KS2.*

- Teaching Assistants delivered Literacy and Maths provision for PP eligible children and daily reading with an adult for disadvantaged children undertaken.
- 

**Intended Outcome:** *Further develop pupils' resilience, interest in learning and exposure to culturally enriching experiences.*

- Nurture groups established and desired outcomes achieved.
- High levels of pupil engagement throughout the school and excellent behaviour for learning observed in those sessions.

- Full review of curriculum intent, content and progression of knowledge and skills complete.

***Intended Outcome:*** Continue to support and engage families to meet pupils' social, emotional and health needs to ensure children are 'learning ready' each day.

- PSA maintained relationships with PPG eligible pupils and families, supporting their emotional needs well. This was sustained and important during the national lockdown.
- Half-termly parental workshops were not delivered due to COVID-19 restrictions – information and support provided virtually and via telephone calls but COVID-19 related restrictions prevented face-to-face events.
- Children feel valued and respected members of our school community in line with our core values. This was particularly important during lockdown.
