29<sup>th</sup> January 2014

### **Aims of the Parent Council Meeting**

This is an important meeting where Parents/Carers can give feedback to the school without going through class teachers.

### **Feedback from previous meeting**

- Sainsbury's uniform - SH had contacted them and they could not guarantee that our uniform colours could be stocked.

### **Anti-Bullying Policy**

- JD went through the updated policy and asked Parents/Carers to comment.
- SR explained that we had a 'telling culture' from pupils, and reassured parents that we strategies in place to deal with incidents.
- A parent suggested that the policy was pupil to pupil based and not pupil to stranger or adult based. JD agreed to add something to the policy to reflect this.

### **Newsletters**

- Parents asked if the newsletter could have surnames on for the hard copies sent out and first names only for the website. JD confirmed that DfE and LA guidance was first names only for all copies.

### **AOB**

- Parents were asked to donate any old clothes to the spare clothing in KS1 (PE t-shirts, shorts, underwear and socks mainly)
- **Next Meeting** to look at the Behaviour and Rewards Policy
