

Literacy We will be writing some persuasion texts about Shrewsbury. All nicely linked to the River Severn, we will be writing explanation texts. After half term the children will be writing Non-Chronological reports on animals and environments. Then we move on to autobiographies (Charles Darwin) and diaries linked to Easter.

Geography After going far afield in Autumn term, we will come back to Salop! The children will be learning about their county and the wonderful place in which they live—looking at physical and human geography.

PHSE This term we will be looking at basic first aid, mental health and how it affects us, and how feelings can be managed.

Religious Education We are looking at Judaism and then focusing on the resurrection and how it is important to Christians in the build up to Easter.

Maths Our work on fractions last year leads us nicely into ratio and proportion. Other topics within the term include sequences, algebra, converting measures, statistics, shape/space and time.

Art We will be studying Canaletto and Dali using them as inspiration for our own.

DI In textiles, we will be making pencil cases out of recycled materials/fabric.

Science This will be the driver for the entire term. Living things and their habitats, closely linked to Charles Darwin and Evolution and Inheritance.

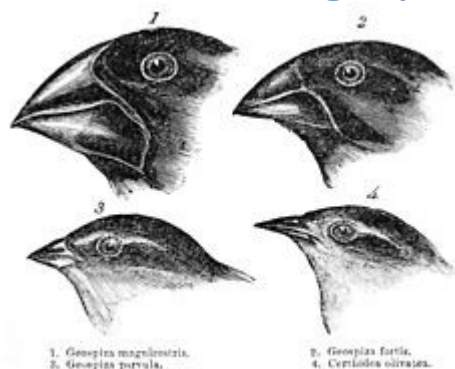

Computing We will be evaluating social media apps as well as search engines on the www. They will also be selecting and using a variety of software to create their own pieces of work.

Music They will be composing for description looking at sound sources, lyrics and melody.

French We will be listening to, reading, and writing adverbs of place and time, building on our conversations last term

PE is on Wednesday afternoons. We shall be focusing on orienteering, football, quicksticks hockey and dance. We also have archery during January

Darwin's Legacy
