The Kindness Award

Dear Parents/Carers,

Next week is National Random Acts of Kindness Week and as a school we wanted to take this opportunity to celebrate and encourage kindness throughout our community.

As usual, school will be closed for the February half term week starting on Monday 15th February and there will be no remote learning to ensure the children and all of you get a proper and well-earned rest. However, for those of you looking for something creative to enjoy and to help the children to think about the importance of kindness, we have made a range of kindness related activities and are holding a competition for the children to create a Kindness Award which will be used in school going forwards to reward and celebrate acts of kindness.

Please see the full details in the attached flyer or on our [website](#) and the Teachers will be speaking to the children about it this week. These activities are completely optional and in the spirit of kindness, please **make sure you are all kind to yourselves – you have done a fantastic job of supporting your children with their home learning and very much deserve a break!** Remote learning will resume on the website and on Teams on Monday 22nd February and the paper learning packs will be available for collection from outside of school from first thing in the morning on that day.

Have a restful half term break and take care everyone.

Yours sincerely,

Mr. H. Bray
