

## Literacy

This term, we will be reading books all about toys- 'Dogger' and 'Toys in Space' and books about "Gardens" - 'There's a Tiger in the Garden' and 'Omar, the bees and Me.'

In our writing we will continue to work on applying our phonics and choosing the correct graphemes, spelling tricky words accurately, punctuating sentences correctly, leaving spaces between words and using "and" to join words and clauses. We will be writing instructions, descriptions and short narratives.

## Maths

In Maths, we will be looking at the composition of 2 digit numbers and portioning the numbers into 10s and 1s. We will be counting in multiples of 2s, 5s and 10s forwards and backwards. We will be problem solving using addition and subtraction facts within 20.

We will be learning about measures - money, time, mass/weight, lengths and heights and capacity and volume.

We will continue our daily maths fluency sessions to work on our known facts.

## Science

In Science, we will continue to observe Seasonal Changes in Forest School and the school grounds and learn about Plants. We will develop an understanding of some of the different parts of a plant and the jobs they do.

We will learn to identify common British plants and trees and what plants need to grow.

## Art

In Art, we will be learning about the sculptor Andy Goldsworthy.

We will be evaluating his work and using Forest School to create our own natural sculptures.

## Physical Education

To continue progression in PE, we will be doing Mini Muay Thai, Ball Games, Kwik Cricket and Athletics.

## Computing/Music

In computing, we will be developing our skills using a computers and other devices and begin thinking about simple animations. We will also look at digital writing using devices.

In music we will be following the Charanga music scheme, thinking about improvisation and how music can link us to our environment.

## Geography

In Geography, we will be learning about our local area.

We will be going on a walk of the local area and drawing a simple map. We will link this to our work on Ordnance survey maps and map symbols.

We will also be looking at human and physical features of Meole Brace, Shrewsbury and Shropshire.

## Year 1 Theme - Terrific Toys and In the Garden

Year One - Summer

## Religious Education

In RE, we will be learning about "Who do Christians say made the World?" and "How should we care for the World and for others and why does it matter?"

We are going to be thinking about Courageous Advocacy and how we can make a difference to the world around us and our local environment.

## PE Days

Our PE sessions will be on Tuesday afternoon and Friday morning.

All children must have navy blue or black shorts or jogging bottoms, a school PE t-shirt (red, blue, green or yellow), trainers or pumps to change into in school.

## Reading

Children will have a daily reading session where they will read to a Teacher, Teaching Assistant or independently. They will also have a group read at least once a week.

**Please ensure that reading books and reading diaries are brought to school everyday.**

Children will have a library session every Wednesday. They will need to return their old book before getting a new one.

## Important Reminders

## Forest School

Our Forest School sessions will be on a Monday afternoon. Please bring your Forest School clothes with you and **come to school in uniform.**

**We recommend a waterproof overall (puddle suit) and wellies which your child can put over their uniform.**

## Don't forget

- Bring a water bottle in everyday with fresh clean water
- **Put your name on your clothing**
- You won't need a pencil case because you will have your own in school
- Leave toys and games at home
