Book Talk

It's really important to talk to children about the books they read. These chats can happen at any time but will really help to develop the children's vocabularies, while also helping them to get excited about books, creating a lifelong love of reading! In the 'Book Talk' section of each Reading Newsletter, we will offer ideas of sentence starters and questions for these discussions.

What do you think will happen next? How do you know?

Benefits of Reading

According to extensive research compiled by BookTrust, children who read are more likely to do better at school and make more progress across the curriculum. Visit <https://www.booktrust.org.uk/> to find out more.
